## *Welcome to The Caughnawaga Golf Club*

*Our establishment was created in 1967 and is the result of an avid golfer's dream and determination. After 50 years and counting, we now offer splendid mature grounds, patiently and lovingly groomed over the years through the hard work and dedication of Angus Patton and his family. It also retains the special feeling of a family operated business thanks to the second generation of Patton's now running it: sister and brothers Carrie, James and Andrew. The Patton family philosophy is to provide the grass roots public golfer with a first rate, total golf experience, while doing their utmost to keep the game affordable for the discerning golfer.*

*Located on the South  
Shore (rte 207)  
minutes off the  
autoroute 30 and 15  
minutes from  
downtown Montreal*

### *Rates*

“Caughnawaga is a great golf course and a great friendly Staff serving excellent food. Recommended to any golfer looking for a challenging, very affordable golf course to play. Even though I am not a member, I am always treated like one. I often take clients and friends here and consider Caughnawaga to be my Home course.”

**Blair Bertollini**
